INDEPENDENT AUDITOR'S REPORT

To the Members of United POLYFAB GUJARAT LIMITED

Report on the Financial Statements

We have audited the accompanying standalone financial statements of **UNITED POLYFAB GUJARAT LIMITED** which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, the statement of Cash Flows, the statement of changes in equity and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements

Opinion

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of UNITED POLYFAB GUJARAT LIMITED as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based the internal control over financial reporting criteria established by the Company.

Considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the “Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

UNITED POLYFAB GUJARAT LIMITED

Notes Forming Part of Financial Statements

1. Corporate Information

UNITED POLYFAB GUJARAT LIMITED (the company) is a private limited company and incorporated under the provision of Company's Act, 2013. The company is engaged in the manufacturing of Processed Yarn at Timba, Daskroi. The company caters to wide domestic market and is engaged in export of yarn via third party.

2. Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention and on accrual basis, in accordance with the generally accepted accounting principles (Indian GAAP) and the provisions of the Companies Act, 2013. The company has prepared these financial statements to comply in all material respects with the Indian accounting standards notified under section 133 of the Company Act, 2013, read together with paragraph 7m of the Companies (Account) Rules 2014.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2.1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

b. Inventories

Items of inventories are measured at method given below after providing for obsolescence, if any Cost of inventories comprises of cost of purchase and all costs incurred in bringing them to their respective present location and condition.

Cost has been determined as under:

1. Raw Material at cost (on FIFO basis)
2. Finished Goods - at cost or Net Realizable Value whichever is lower.
3. Stock in process- Raw material cost and proportionate conversion cost
4. Stores, Spares and other trading goods on weighted average cost basis.

c. Cash Flow Statement

Company has prepared Cash Flow Statement under indirect method as per Indian Accounting Standard -7.

d. Depreciation on Fixed Assets

Depreciation on fixed assets is provided on Straight Line Method (SLM) at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.

e. Tangible Fixed Assets:

Fixed Assets except Factory Building are stated at cost net of GST and Factory Building are stated at cost plus GST, less accumulated depreciation and impairment loss, if any. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the fixed assets are transferred to the Statement Profit & Loss Account.

Subsequently expenditure related to an item of fixed assets added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses of existing fixed assets, including day to day repair and maintenance expenses and cost of parts replaced are charged to the statement of Profit and Loss accounts for the period during which such expenses are incurred.

f. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when payment is being made. Revenue is measured at the fair value of consideration received or receivable, taking into account contractually defined terms of payment inclusive of Excise Duty and net of GST returns, trade allowances, rebates, taxes and amounts collected on behalf of third parties and Government.

Sale of Goods: Revenue from the sale of goods is recognized when the goods are delivered and the titles have passed, at which time all the following conditions are satisfied:

- The company has transferred to the buyer the significant risks and rewards of the ownership of the goods;
- The company retains neither continuing managerial involvement to degree usually associated with ownership nor effective control over the goods sold;
- The amount of revenue can be measured reliably;
- It is probable that the economic benefits associated with the transaction will flow to the company; and the costs incurred or to be incurred in respect of the transaction can be measured reliably

Interest Income: Interest income is accrued on a time basis, by reference to the principle outstanding and at the effective interest rate applicable.

g. Employee Benefits

Short-Term Employee Benefits:

The undiscounted amount of short-term employee benefits expected to be paid in Exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employee Benefits:

Defined Contribution Plans: The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. The measurement of the contribution is done as Provident Fund and Miscallenous Act, 1952.

Defined Benefit Plans: The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/ superannuation. The gratuity is paid @15 days basic salary for every completed year of service as per the Payment of Gratuity Act, 1972. The gratuity liability amount is not contributed to any approved gratuity fund formed exclusively for gratuity payment to the employees. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. Remeasurement gains and losses arising from adjustments and changes in actuarial assumptions are recognised in the period in which they occur in Other Comprehensive Income.

h. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to Profit and Loss account.

i. Provision for Current and Deferred Tax

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961.

Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred tax asset is recognized and carried forward only to the extent that there is a virtual certainty that the asset will be realized in future.

j. Provisions

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the

Balance sheet date. These are reviewed at each reporting date and adjusted to reflect the current best estimates.

k. Earnings per Share

Basic earnings per share is calculated by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year adjusted for bonus element in equity share. Diluted earnings per share adjust the figures used in determination of basic earnings per share to take into account the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period unless issued at a later date.

l. Segment reporting

A) Primary Business Segments:

The Company's Operations currently comprise of one segment i.e. manufacturing of textiles.

B) Secondary Business Segments:

- The company operate its business at single a place and the function of company is such that the company cannot be classified into segments as per IND AS 108.

m. Contingent Liability:

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made.

n. Financial Instruments

i. Financial Assets

A. Initial Recognition and Measurement

All Financial Assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets are recognised using trade date accounting. However, trade receivables that do not contain a significant financing component are measured at transaction price.

B. Subsequent Measurement

a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise to cash flows on specified dates that represent solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date following the changes in business model in accordance with principles laid down under Ind AS 109 - Financial Instruments.

C. Investment in Subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in Subsidiaries, associates and joint venture at cost less impairment loss (if any).

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'. However, dividend on such equity investments are recognised in Statement of Profit and loss when the Company's right to receive payment is established.

E. Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL), limited to measurement trade receivables. Expected Credit Losses are measured through a loss allowance at an amount:

- equal to 20 % of those receivables who are outstanding beyond 180 days (limited to within 365 days) of the bill date;
- equal to 50 % of those receivables who are outstanding beyond 365 days (limited to within 720 days) of the bill date;
- equal to 100% of those receivables who are outstanding beyond 720 days (expected credit losses that result from all possible default events over the life of the financial instrument).

For Trade Receivables the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

ii. Financial Liabilities

A. Initial Recognition and Measurement

All Financial Liabilities are recognised at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent Measurement

Financial Liabilities are carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii. Derecognition of Financial Instruments

The Company derecognises a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a Financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

iv. Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.
